2020 Trailbuilding Season at a Glance

DATE	PROJECT NAME	THE BIG PICTURE
Jan 30-31	**John Muir Segment, Marquette County**	Collaborative events create new and enhance existing Trail experiences. Get your feet on the ground where John Muir trod to reestablish prairie and prep for new tread. Sawyers, swampers, and crew leaders needed!
Feb 5-8	**Holy Hill Segment, Washington County**	High water in 2018 and a Polar Vortex in 2019 chilled efforts to build 574 feet of sorely needed elevated boardwalk. **Weather dependent** and sure to excite. BONUS – Saturday, the **Winter Rendezvous** returns!!
Feb 27-29	**Gibraltar Rock Segment, Columbia County**	"Gib" first opened in 2005 to instant acclaim. This event enhances the Trail experience by clearing eastern red cedar and gets a jump on spring to-dos. Sawyers, all-important swampers, and crew leaders needed!
May 1-7	**Trail Layout & Design, Blue Hills Segment, Rusk County**	The vision is audacious – explore the unknown, design a one-of-a-kind experience, and uncover stunning natural features in the most remote area of the state the Ice Age Trail passes through. **By Application**.
May 19-21	**Montrose Segment, Dane County**	A vital connection in southern Dane County needs you. Help build 350 feet of boardwalk and fine-tune more than 2 miles of Trail.
June 3-7	**Ringle Segment, Marathon County**	Greatness in the making, this event celebrates connections, teamwork, and the 40th anniversary of Ice Age National Scenic Trail designation. Help put the exclamation point on 4.6 miles of new trail completed! Deep-woods stonework, tread construction, and more lies ahead.
June 24-28	**Crew Leadership & Skills Training, Marathon County**	4 Days. *"As solid of a leadership training program as one can find."* Crew leaders of all ages are the next generation who will carry the wisdom of today and the inspiration of tomorrow forward. Is it you? **By Application**.
July 30-Aug 2	**Ice Age Trail University, Taylor County**	Enhance existing skills and grow under the big trees of the Chequamegon National Forest. Hybrid trainings in Trail Layout & Design, Project Planning, and more. Please visit the IATA website for course offerings in early February.
Aug 20-23	**LaBudde Creek Segment, Sheboygan County**	"Buddy" is a quiet gem whose features grow on you with each visit. Join in and build 150 feet of boardwalk, tune-up 3 miles of trail, hop on a satellite crew for a special assignment or maybe…just maybe…glimpse the future with new trail development planned to the north.
Sept 17-20	**West Bend Segment, Washington County**	This 3-prong attack in the mid-Kettle Moraine features new trail, new bridges, and new opportunities for expanded Trail adventures around the City of West Bend.
Oct 7-11	**Ringle Segment, Marathon County**	With a little luck, this event starts the northern push of Phase 3 on the reimagined Ringle Segment. Boardwalk, bridge, stone – this is a keeper.
Oct 21-24	**Wildcard!**	Save the dates and stay tuned for *Wildcard* details moving forward.
