

Must-Have Ice Age Trail Books!

The popular *Ice Age Trail Companion Guide* was written for thru, section and day hikers and includes a complete description of the entire thousand-mile Ice Age Trail, including connecting roads; trailhead access information; resupply, dining and lodging information at nearby towns and GPS waypoints for significant Ice Age Trail landmarks

Since the Companion Guide doesn't contain hiking maps, you'll also want to own the *Ice Age Trail Atlas*. It includes more than 100 color maps showing every mile of the Ice Age Trail route, the locations of parking areas, toilets, campgrounds, shelters, dispersed camping areas, topography and more. The Atlas also includes a gazetteer that describes many of the place names along the Trail.

Both books were written and published by the Ice Age Park & Trail Foundation. All proceeds for each book help build and maintain the Ice Age Trail. Please call (800) 227-0046 with any questions.
