

## Release and Indemnification Agreement

The person named on this registration form wishes to participate in the Hiking Award Program sponsored by the Walworth/Jefferson County Chapter of the Ice Age Trail Alliance, Inc. The Alliance and its officers and directors and the Program sponsors, volunteers and chapter officers and members (collectively the "Alliance") wish to ensure to the fullest extent possible that they are not sued or held liable for injuries or damages sustained by participants or those participating in the Program. I make this release and agreement on my behalf of anyone else who would be able to sue if I were injured while participating in the Program.

I agree and acknowledge as follows (1) Participation carries with it some risk of serious injury. The risks include but are not limited to those caused by overexertion, vehicular traffic, the weather, facilities, equipment, the Alliance and other participants; (2) I assume all risk of participation in the Program; (3) I understand the Alliance is relying upon the agreements and representations I make on this form; (4) I release the Alliance from any and all claims, including negligence claims and claims relating to personal injury of property arising out of my participation in the Program except I do not release reckless or intentional tort claims; (5) I agree to indemnify the Alliance if I or anyone else brings a claim against the Alliance for injuries I receive due to my participating in this Program. ("indemnify" means to reimburse the Alliance for any amounts they have to pay and expenses/fees they incur due to an injury claim relating to me); (6) I have read this document and understand it.

If I am under age 18, my parent or guardian is signing on my behalf, and my parent or guardian also agrees to indemnify the Alliance if I or anyone else brings a claim against the Alliance due to injuries I receive due to my participating in the Program. With knowledge of the risks involved and the rights I give up, I waive the rights I might otherwise have and I freely sign this document.

**Highlights of the Trail**

**Horserider's Camp:** Equestrian camp providing water, restrooms, parking & picnic area.

**Stone Elephant:** A massive granite erratic shaped like an elephant. Potawatomi Indians considered this area sacred.

**Bald Bluff:** One of the highest points in Jefferson County.

**Oleson Cabin:** A two story tamarack log cabin built by an early Norwegian pioneer.

**Lake LaGrange, Rice Lake, Whitewater Lake,** and many streams run along the trail.

**Clover Valley State Wildlife Area:** The trail crosses Whitewater creek and skirts the edge of native wetlands.

**Artesian Well on Clover Valley Road:** Hand dug in 1895; a great place to get drinking water.
