

Lakeshore Chapter - Calendar of Events for 2019

Meetings will take place regardless of weather.

Check with the "Contact Information" to confirm hike and work day status.

"Ice Age Trekkers" hikes on the first four Wednesdays of each month from April thru October. The 1st and 3rd Wednesdays are morning hikes starting at 7 am. The 2nd and 4th are evening hikes starting at 6 pm. Hikes are from 2.2 miles to 3.6 miles long. Shuttles will be provided to get you back to the start point. By the end of the Trekker season the entire North Kettle Moraine (NKM) Ice Age Trail will have been covered, which will make you eligible for the "Hall of Kames" patch. The NKM Naturalist leads these hikes and provides information of the Floral and Fauna of the area.

Contact Jim Powers for a hand-out with details of the actual days, meet locations, and distances.
