

Release and Indemnification Agreement

The person named on this registration form wishes to participate in the Hiking Award Program sponsored by the Lodi Valley and Baraboo Hills Chapters of the Ice Age Trail Alliance, Inc. The Alliance and its officers and directors and the Program sponsors, volunteers and chapter officers and members (collectively, the "Alliance") wish to ensure to the fullest extent possible that they are not sued or held liable for injuries or damages sustained by participants or those participating in the Program. I make this release and agreement on my behalf and on behalf of anyone else who would be able to sue if I were injured while participating in the Program.

I agree and acknowledge as follows (1) Participation carries with it some risk of serious injury. The risks include but are not limited to those caused by overexertion, vehicular traffic, the weather, facilities, equipment, Alliance and other participants; (2) I assume all risk of participating in the Program; (3) I understand the Alliance is relying upon the agreements and representations I make on this form; (4) I release the Alliance from any and all claims, including negligence claims and claims relating to personal injury and of damage to property arising out of my participation in the Program except I do not release reckless or intentional tort claims; (5) I agree to indemnify the Alliance if I or anyone else brings a claim against the Alliance for injuries I receive due to my participating in this Program ("indemnify" means to reimburse the Alliance for any amounts they have to pay and expenses/fees they incur due to an injury claim relating to me); (6) I have read this document and understand it.

If I am under age 18, my parent or guardian is signing on my behalf, and my parent or guardian also agrees to indemnify the Alliance if I or anyone else brings a claim against the Alliance due to injuries I receive due to my participating in the Program. With knowledge of the risks involved and the rights I give up, I waive the rights I might otherwise have and I freely sign this document.

EARN AN AWARD FOR HIKING ALL SEGMENTS OF THE LODI VALLEY AND BARABOO HILLS CHAPTER SEGMENTS

Challenge yourself to hike the approximately 50 miles of the Ice Age Trail within these two chapters' areas.

As an incentive, we will record your progress and reward your achievement with the presentation of an attractive patch and certificate of completion.

Here's how it works:

1. Complete both sides of the registration form, detach it, and send it with your registration fee to the address shown. Retain the hiking log.
2. We mail you maps of the segments and an information guide for hiking the trail.
3. Record the dates that you hike each segment and mail the completed hiking log to us.
4. We will send you an award patch and certificate of completion and record your name in our Lodi Valley and Baraboo Hills Chapter registers.

We encourage you to send in your comments about your hikes when you send in your log.

This project is funded in part by a Healthy Life Initiative Grant from the Sauk Prairie Memorial Hospital Foundation.
