

ICE AGE TRAIL - HIGH POINT CHAPTER

Newsletter – May 1, 2024

Greetings!

- We haven't had a chapter meeting for a while. The next is scheduled for Wednesday, May 8th at 7:00. We will meet at Camp 28 in Rib Lake. If weather allows, we can meet at a table on the outside balcony, otherwise we meet inside.

- As mentioned in last month's email, High Point Chapter webpage is updated.

At the top are 3-photos. Left picture is trail view from previous banner. Center picture is of 2021 Jerry Lake Segment - Sailor Creek Bridge mobile skills project. Right photo is from 2023 Rib Lake Segment trail building project. For readability, the Segments detail is now on a separate page.

- The Mammoth Tales article about the Wood Lake Loop Trail is at [Mammoth Tales - Spring 2021](#) Trail history section, page 19.

- On Friday, April 19, I did a first ever, backpacker Shuttle Service for an experienced hiker from Minnesota starting at Mondeaxu Esker to Lake Eleven segment. Hiking 40+ miles over the weekend, this was his first-time on IAT.

- The Ice Age Trail is a unit of the National Park Service.

The blog article - "[What Unit Status Means for the Ice Age Trail](#)".

The next newsletter is scheduled for June 1. Cheers!
