### Celebrate 50 Years: Ice Age National Scenic Trail history and support in Langlade County

#### The Hike 50 Challenge:

Hike using any unit of measurement you choose: 50 steps, 50 inches, or 50 miles!

Additional measurement ideas: 50 potato sheds, 50 ticks, 50 silos, 50 barn quilts, etc.

#### The Hike 50 Survey:

You will have the opportunity to answer these questions when you certify your miles and submit payment.

**What unit of measurement did you choose?**

**What was your favorite segment, and why?**

**How much money did you spend in Langlade County during the Hike 50 Challenge?**  
(Estimate gas, meals, and lodging, etc.)

**What was your favorite glacial feature?**

**Would you be interested in joining the Langlade County Chapter in building or maintaining Ice Age Trail in the county?**

Your participation fee supports the Langlade County Chapter of the Ice Age Trail Alliance. Chapter volunteers build, maintain, and promote the Ice Age Trail through Langlade County.
