

Release and Indemnification Agreement

Whereas, the person named on this registration form desires to participate in the Hiking Award Program coordinated by the Washington/Ozaukee County Chapter of the Ice Age Trail Alliance, and whereas the Alliance and its officers and directors, Program sponsors, volunteers and chapter officers and members (collectively, "the Alliance"), desire to ensure that, to the extent possible within the law, they will not be sued or held liable for any injuries or damages sustained by participants in this Program.

Now therefore, I sign this Release and Indemnification Agreement on my behalf, and on behalf of anyone else who would be able to sue if I were injured while participating in this Program.

I agree and acknowledge as follows: (1) Participation carries with it some risk of serious injury. The risks include but are not limited to those caused by overexertion, vehicular traffic, weather, facilities, equipment, the Alliance and other participants; (2) I assume all risks of participating in this Program; (3) I understand the Alliance is relying upon the agreements and representations I make on this form; (4) I release the Alliance from any and all claims, including negligence claims and claims relating to personal injury or property damage arising out of my participation in this Program, except that I do not release any reckless negligence or intentional tort claims; (5) I agree to indemnify the Alliance if I or anyone else brings a claim against the Alliance for injuries I receive due to my participating in this Program ("indemnify" means to reimburse the Alliance for any amounts they may have to pay and expenses/fees they may incur due to any injury or claim relating to me); (6) I have read this document and understand it.

If I am under age 18, my parent or guardian is signing on my behalf, and my parent or guardian agrees to indemnify the Alliance if I or anyone else brings a claim against the Alliance due to injuries I received due to my participating in this Program. With knowledge of the risks involved, I waive the rights I might otherwise have, and I freely sign this Agreement.

Highlights of the Washington County Segments of the Ice Age National Scenic Trail

Wildlife. Wildflowers. Solitude. Pristine glacial topography. Scenic panoramas. Awe-inspiring beauty.

Located along the intersection of the Green Bay and Lake Michigan Lobes of the Wisconsin Glaciation of the last Ice Age, the Washington County "mid-moraine" segments of the Ice Age National Scenic Trail provide excellent views of kettles, moraines, kames, eskers, drumlins and other glacially created features.

Trail segments are easy to access from the several trailheads. Beginning at the Northern Kettle Moraine State Forest, as you meander along the footpaths, you'll traverse tranquil forests and prairies, walk through Ridge Run County Park, stroll through the "Polk Kames," amble across Pike Lake State Forest, pass around the Holy Hill Shrine and Basilica, and hike into the Loew Lake State Forest. Details regarding the trail features and amenities along the trail will be provided to registrants of the "Meander the Mid-Moraine" Hiking Award Program.

On the trail you'll enjoy the sense of being alone in the wilderness, while never being far from access roads, and dining, camping and lodging facilities.

Visit: www.iceagetrail.org for information about joining the IATA, its many chapters, and the Ice Age National Scenic Trail.

Earn an Award for Hiking the Entire Ice Age Trail in Washington County.

The Ice Age Trail: *Let it shape you!*

Challenge yourself to hike the approximately 45 miles of the Ice Age Trail in Washington County.

The Washington/Ozaukee County Chapter of the Ice Age Trail Alliance has developed a reward program entitled **"Meander the Mid-Moraine"** to recognize individual's hiking achievements.

Here's how the program works:

1. Complete both sides of the registration form, detach it, and send it with the registration fee to the address shown. Retain the Hiking Log.
2. The IATA chapter will send you maps of the Washington County trail segments and any related hiking information.
3. Record the dates that you hike each segment, and mail the completed Hiking Log to the Chapter at the address shown.
4. The Chapter will record your name in the **"Meander the Mid-Moraine"** Hiking Award Program Register, and send you an award patch and a Certificate of Completion.
