

Ice Age Trail Days August 8-12, 2018 Cross Plains, WI

SCHEDULE OF EVENTS

Trailbuilding. August 8 – 12

This Mobile Skills Crew event will be a remarkable effort to fill in the gaps across Dane County right here in Cross Plains. Happily, new tread will eliminate a mile-long road walk and sandstone outcroppings will provide big views of the Driftless region. No previous experience is necessary to participate in this new construction party involving tread, signage, stonework and trail stewardship zones.

Community Dinner & Partner Exhibits, August 10

The Village of Cross Plains is hosting a community dinner at Zander Park in downtown Cross Plains. In keeping with the community theme, the Alliance is partnering with local farmers and businesses to host a farm-to-table dinner, live music, refreshments, partner exhibits, and of course, birthday cake.

Save your seat at the Community Dinner with a \$25 non-refundable ticket to this event.

- 3:00 – 6:00 pm Partner exhibits open to the public
- 6:00 – 9:00 pm Community Dinner (dinner 6:00-7:30, music to follow)
